My Calm Corner

Tools to find my calm again

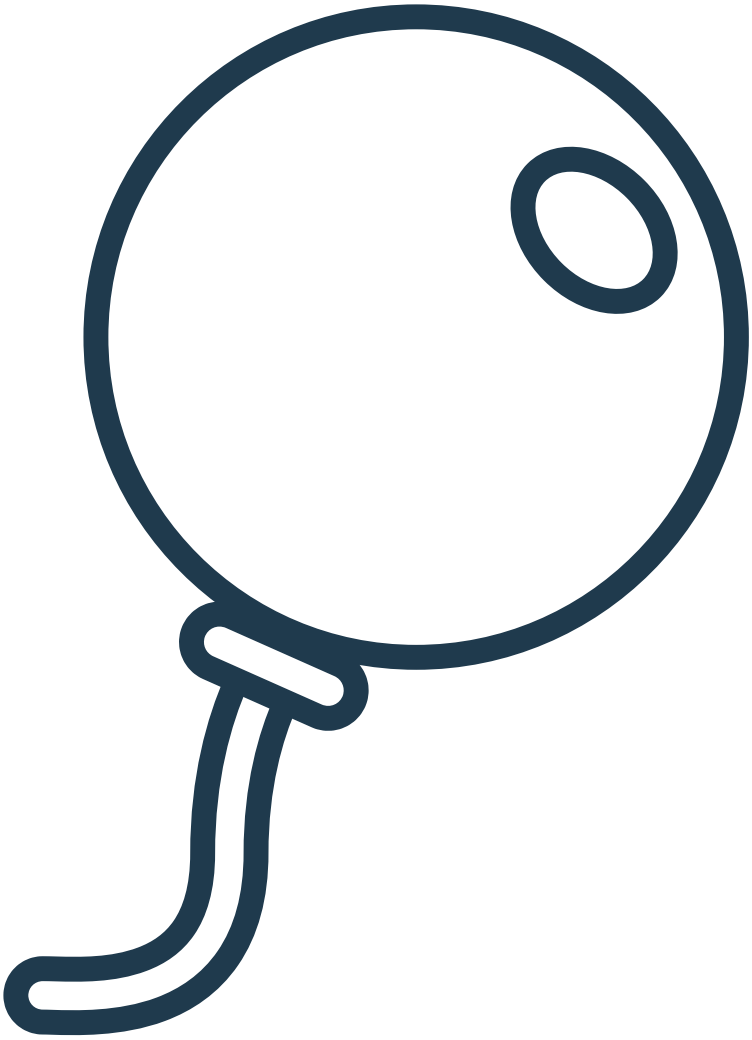

My name: _____

Date: _____

Six colouring pages to share with an adult. Each page has a short question to talk about together.

Balloon breathing

I colour the balloon. Then I do balloon breathing three times.

1. I breathe in through my nose and fill my belly: 1, 2, 3, 4.

2. I breathe out slowly through my mouth: 1, 2, 3, 4, 5, 6.

After three balloons, I feel...

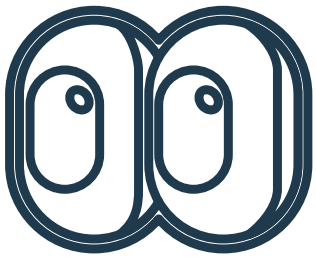

TIP FOR THE ADULT

Breathing out longer than breathing in slows the heart rate and helps the body calm down (Zaccaro et al., 2018). Do it together with the child.

My senses help me calm down

I colour each picture. I write one thing I can see, hear, smell, touch or taste right now.

TIP FOR THE ADULT

Bringing attention back to the senses helps break a loop of worried thoughts. Try it first in a calm moment, like a game.

I draw my calm corner

I draw the perfect place to calm down: what is in it, the colours, the objects that help me.

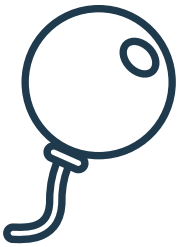

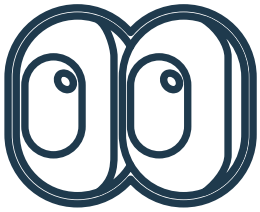

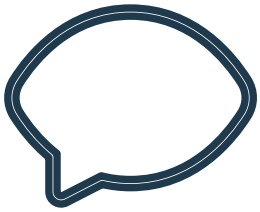

TIP FOR THE ADULT

A calm corner works best when the child helps set it up and its use is taught: it is a place to rest, not a punishment.

TIP FOR THE ADULT

Repetition turns a strategy into a habit. Praise each day's effort, even when it did not work perfectly.
